To strengthen trust in local authorities, focus on transparent communication of their actions to increase their accountability and responsiveness to citizens’ needs.

Prioritize anti-corruption initiatives, especially among doctors and judges/prosecutors.

Support community/neighbourhood initiatives to jointly define and solve common problems. This way people will feel they can rely on each other.

Fears of the other often come from stereotypes. Interventions bringing people from different regions and backgrounds together will help break them.

FEARS OF OTHER OFTEN COME FROM STEREOTYPES.

Interventions bringing people from different regions and backgrounds together will help break them.

Sographies of IDPs: Some 15% of people living in the NGCA were IDPs.
